Invitation 2026

Dear Colleagues,
Dear friends,

It is our great pleasure to invite you to the 30th annual SASRO meeting, which will be held from the 17th through the 19th of September in Lausanne. For the last 30 years, our multiprofessional community in radiation oncology has met annually in the SASRO congress, to share expertise in science and engagement in the fight against cancer.
As SASRO Board, we wish to honor this anniversary and acknowledge the pioneering efforts of the clinicians and scientists who created this community in Switzerland back in 1996.
They have greatly contributed to both the improvement of cancer care for our patients and to the advancement of our discipline.
30 years of SASRO: Bringing tradition together with innovation is the topic of SASRO 2026.
We will discuss our origins, our future and finally address our opportunities and challenges, bringing together all generations and stakeholders in Swiss radiation oncology.
We believe it will be a special moment for our community and, as SASRO Board, we are eager to welcome you all in Lausanne.

General information

Credits in demand to

Credit points are on demand to the following societies :
Swiss Society of Radiobiology and Medical Physics (SGSMP)
Swiss Society of Medical Oncology (SSMO)
Swiss Society for Radiation Oncology (SRO / SSRO)
The conference is recognised by the SVMTR / ASTRM

Abstract submissions on

https://sasro2026.exordo.com
Deadline August 15, 2026

Posters

The abstracts accepted as posters will be presented during the congress
Dimensions of posters : height 120 cm x width 80 cm (portrait)

SASRO Awards

Information to come

Industrial Exhibition

An industrial exhibition will take place at the Congress venue on Thursday 17 to Saturday 19 September 2026.

General information

Social event – September 18, 2026, 19.00

SwissTech Convention Center
Route Louis Favre 2
1024 Ecublens CHF 110.00

Registration fees include

Access to the scientific sessions, congress documents, certificate of participation, coffee breaks, standing lunches. The social event dinner on 18.09.26 is not included, and has to be booked separately (see above). Accommodation is not included.

Cancellation & refund

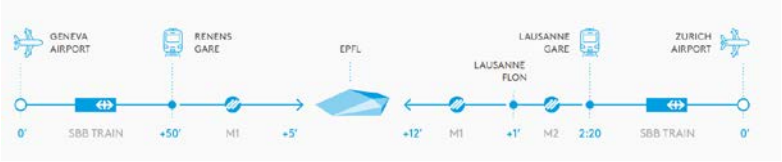
In case of cancellation 30 days prior the event, the refund of the amount paid will be done net of CHF 60.00 for administrative costs. Thereafter no refund possible. Administrative costs will be charged to no shows. Legal jurisdiction is Lausanne.

Location

Arrival

– By car:
  The SwissTech Convention Center is 2 minutes away from the highway exit “Lausanne Sud, UNIL-EPFL”. There are 400 public parking spaces 5 minutes away walking from the STCC.
  The nearest car park is the Parking EPFL – SwissTech Village which is a 2 minutes walk away.

– By public transport:
  The metro M1 can bring you to the SwissTech Convention Center from the Renens train station or the city center of Lausanne. It comes every 5 minutes and it will only take you 10 minutes to get here.



You can find more information on the STCC website here:
https://www.stcc.ch/access

Halcyon

Powering more care, redefining patient experience

From its beginning, the Halcyon system's mission has always been clear: to help deliver exceptional care to more patients with ease. Today, that mission is evident in the ever-growing number of patients receiving 100% image-guided radiotherapy treatments in less than 10 minutes on Halcyon.

cancercare.siemens-healthineers.com/halcyon

Through the latest innovations in patient positioning with PerfectKinetix Dynamic Couch, motion management with IDENTIFY, and advanced imaging from HyperSight, Halcyon delivers a seamlessly integrated experience that enhances precision, efficiency, and sustainability across routine and complex cases. Halcyon helps you reimagine cancer care for more patients, in more places. Put Halcyon to work in your clinic today and advance what's possible in cancer care.

Not available for sale in all markets. PerfectKinetix Dynamic Couch, HyperSight, and IDENTIFY Connect are optional features. Please contact your local Siemens Healthineers organization for further details.
